### Operating Report

For the Year Ended 31 December 2024

The Committee of Management ("Central Council") presents its operating report on the reporting unit, for the financial year ended 31 December 2024.

#### Names of Central Council members and period positions held during the financial year

The names of each person who has been on the Central Council during the year are:

Name	Position	Period of Appointment
Mr A Maher	General President	1/1/2024 - 31/12/2024
Mr G Kelly	General Secretary	1/1/2024 - 31/12/2024
Mr S Smyth	General Vice President	1/1/2024 - 31/12/2024
Mr R Williams	Central Councillor	1/1/2024 - 31/12/2024
Mr M Hughes	Central Councillor	1/1/2024 - 31/12/2024
Mr G Busson	Central Councillor	1/1/2024 - 31/12/2024
Mr A Smith	Central Councillor	1/1/2024 - 31/12/2024
Mr R Gale	Central Councillor	1/1/2024 - 31/12/2024
Mr M Schofield	Central Councillor	1/1/2024 - 31/12/2024
Mr P Compton	Central Councillor	1/1/2024 - 31/12/2024
Mr S Duff	Central Councillor	1/1/2024 - 31/12/2024
Mr S Baird	Central Councillor	1/1/2024 - 31/12/2024
Mr B Smith	Central Councillor	1/1/2024 - 31/12/2024
Mr D Hopkins	Central Councillor	1/1/2024 - 31/12/2024
Mr R Timbs	Central Councillor	1/7/2024 - 31/12/2024
Ms C Bailey	Central Councillor	1/7/2024 - 31/12/2024
Ms L Muller	Central Councillor	1/7/2024 - 31/12/2024
Mr J Noonan	Central Councillor	1/7/2024 - 31/12/2024
Mr S West	Central Councillor	1/7/2024 - 31/12/2024
Mr G Osborne	Central Councillor	1/1/2024 – 30/6/2024
Mr H Timmins	Central Councillor	1/1/2024 – 30/6/2024
Ms S Smoothery	Central Councillor	1/1/2024 – 30/6/2024
Mr G Pearce	Central Councillor	1/1/2024 – 30/6/2024

### **Operating Report**

**For the Year Ended 31 December 2024**

#### **Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year**

The principal activities of the Reporting Unit during the financial year were the:

- Adherence to the rules of the Union in furtherance of the objects of the Union consistent with the industrial relations legislation.
- Implementation of the decisions of the Union's Executive and Central Council.
- Implementation of the Union's organising agenda, including assistance and advice on organising site projects, training and development of officials and planning and resourcing campaigns.
- Industrial Support including assistance with legal and legislative matters.
- The administration and variation of federal and state awards.
- Negotiation and registration of certified industrial instruments on behalf of members consistent with the objects of the Fair Work Act 2009 and the Union rules.
- Media and other communication to members of the Union and to the broader local communities on issues affecting the rank and file.
- Monitoring and improving the health and safety of members.
- Engaging with international labour organisations and unions in other countries to build solidarity and enforce and protect labour rights and human rights. Work collaboratively through international federations to share best practices and address common challenges faced by workers worldwide.

No significant change in the nature of these activities occurred during the year.

The consolidated surplus of the Reporting Unit amounted to \$11,118,167 (2023: \$22,324,800).

A review of the operations and results of the Group is performed in the meetings of the Executive Officers and by the Central Council. Additionally, such matters are considered periodically at a regular meeting of the Executive Officers of the Union. The Central Council believe that they have furthered the interests of their members throughout the financial year through the conducting of the Union's principal activities.

#### **Significant changes in financial affairs**

There have been no significant changes in the financial affairs of entities in the Reporting Unit during the year.

#### **Right of members to resign**

All members of the Union have the right to resign in accordance with Rule 5(iv)(a) of the Union Rules [and section 174 of the *Fair Work Act 2009*], namely, by providing written notice addressed and delivered to either the District Secretary, a Lodge Secretary or authorised delegate.

### Operating Report

For the Year Ended 31 December 2024

**Officers or members who are superannuation fund trustee(s) or director of a company that is a superannuation fund trustee where being a member or officer of a registered organisation is a criterion for them holding such position**

- Anthony Maher is a Director of Auscoal Superannuation Pty Ltd, which acts as a trustee for the Mine Superannuation Fund.
- Grahame Kelly is a Director of Auscoal Superannuation Pty Ltd, which acts as a trustee for the Mine Superannuation Fund.

These positions are held because of a criterion which requires that the reporting unit nominate a director of this entity.

No other officer or employee of the Union acts:

- i) as a trustee of a superannuation entity or an exempt public sector superannuation scheme; or
- ii) as a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

### Number of members

There were 25,064 members of the Union as at 31 December 2024.

### Number of employees

As at 31 December 2024 the Union had 41 full-time equivalent employees (2023: 32).

### Committee of Management Statement For the Year Ended 31 December 2024

On 26 March 2025 the Committee of Management ("Central Council") of the Mining and Energy Union passed the following resolution in relation to the General Purpose Financial Report for the year ended 31 December 2024:

The Central Council declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* ("the RO Act");
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the General Purpose Financial Report relates and since the end of that year:
  - i) meetings of the Central Council were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit, have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act, that information has been provided to the member or the General Manager; and
  - vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Central Council.

### Notes to the Financial Statements For the Year Ended 31 December 2024

The financial report covers the Mining and Energy Union and its controlled entities ("the Group" or "the Reporting Unit").

Each of the entities within the Group prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

#### 1 Basis of Preparation

By way of order dated 20 November 2023, Justice Shariff of the Federal Court of Australia in the matter of *Grahame Patrick Kelly v Construction, Forestry, Maritime, Mining and Energy Union* [NSD1120/2023] made an order pursuant to s.109(1)(a) of the *Fair Work (Registered Organisations) Act 2009* ("RO Act") that the withdrawal of the Mining and Energy Division from the Construction, Forestry, Maritime, Mining and Energy Union was to take effect on 1 December 2023.

On 1 December 2023, the Mining and Energy Union ("the Reporting Unit") was registered as an organisation under subsection 26(1) of the RO Act. Up to the withdrawal date of 1 December 2023, the Reporting Unit was a division of the then Construction, Forestry, Maritime, Mining and Energy Union ("CFMMEU") and known as the CFMMEU Mining and Energy Division ("the Former Reporting Unit").

The Reporting Unit is a separate legal entity and a separate Organisation under the RO Act from the Former Reporting Unit, which (at that date) ceased to exist. The Reporting Unit carries on the same business as the Former Reporting Unit. Accordingly, there have been no changes in the rights or obligations attached to any assets, liabilities or capital of the Reporting Unit, with all being transferred (or in the process of being transferred) from the formal title of the Former Reporting Unit to the Reporting Unit, at their carrying amounts as at 1 December 2023, and under the same accounting policies referred to in the notes to these financial statements. Similarly, all membership, workplace and District structures have also remained unchanged and have been transferred over to the Reporting Unit.

Accordingly, for financial reporting purposes, with the agreement of the Fair Work Commission, it is appropriate that, having regard to sections 35 and 93 of the Act, that in practical terms the reporting requirements are continuous for the financial year for the various units, as if the Former Reporting Unit and the Reporting Unit were the same reporting entity.

That is, the Union/Reporting Unit shall report to members with one financial report as at and for the year ending 31 December 2023, as if it were the same reporting unit for the entirety of that period.

Refer to note 2(q) for further information.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**1 Basis of Preparation (Continued)**

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards and Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the *Fair Work (Registered Organisations) Act 2009*. For the purpose of preparing the general purpose financial statements, the Union is a not-for-profit entity.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position.

Material accounting policy information relating to the preparation of these financial statements is presented below and is consistent with prior reporting periods unless otherwise stated.

Where required, comparative figures have been adjusted to conform with changes in presentation in the current financial year.

**2 Material Accounting Policy Information**

**(a) Basis of consolidation**

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Appropriate adjustments have been made to a controlled entity's financial position, performance and cash flows where the accounting policies used by that entity were different from those adopted by the consolidated entity. All controlled entities have a December financial year end.

A list of controlled entities is contained in Note 18 to the financial statements.

*Subsidiaries*

Subsidiaries are all entities (including structured entities) over which the parent has control. Control is established when the parent is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

**Notes to the Financial Statements  
For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(a) Basis of consolidation (Continued)**

*Associates*

Interests in associates, where the investor has significant influence over the investee, are accounted for using the equity method in accordance with AASB 128 Investments in Associates and Joint Ventures. Under this method, the investment is initially recognised as cost and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss and other comprehensive income of the investee after the date of acquisition.

**(b) Business combinations**

Business combinations are accounted for by applying the acquisition method which requires an acquiring entity to be identified in all cases. The acquisition date under this method is the date that the acquiring entity obtains control over the acquired entity.

The fair value of identifiable assets and liabilities acquired are recognised in the consolidated financial statements at the acquisition date.

Goodwill or a gain on bargain purchase may arise on the acquisition date, this is calculated by comparing the consideration transferred and the amount of non-controlling interest in the acquiree with the fair value of the net identifiable assets acquired. Where consideration is greater than the net assets acquired, the excess is recorded as goodwill. Where the net assets acquired are greater than the consideration, the measurement basis of the net assets are reassessed and then a gain from bargain purchase recognised in profit or loss.

All acquisition-related costs are recognised as expenses in the periods in which the costs are incurred except for costs to issue debt or equity securities.

Any contingent consideration which forms part of the combination is recognised at fair value at the acquisition date. If the contingent consideration is classified as equity then it is not remeasured and the settlement is accounted for within equity. Otherwise subsequent changes in the value of the contingent consideration liability are measured through profit or loss.

**(c) Income tax**

The Union is exempt from income tax under section 50.1 of the *Income Tax Assessment Act 1997*, however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(d) Leases**

At inception of a contract, the Group assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Group has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Group has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

**Lessee accounting**

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

**Right-of-use asset**

At the lease commencement, the Group recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Group believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

**Lease liability**

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Group's incremental borrowing rate is used.

**Notes to the Financial Statements  
For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(d) Leases (Continued)**

**Lease liability (Continued)**

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Group's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

**The Group as a lessor**

**Lessor accounting**

When the Group is a lessor, the lease is classified as either an operating or finance lease at inception date based on whether substantially all of the risks and rewards incidental to ownership of the underlying asset have been transferred to the lessee. If the risks and rewards have been transferred then the lease is classified as a finance lease, otherwise it is an operating lease.

If the lease contains lease and non-lease components then the non-lease components are accounted for in accordance with AASB 15 Revenue from Contracts with Customers.

The lease income from operating leases is recognised on a straight line basis over the lease term. Finance income under a finance lease is recorded on a basis to reflect a constant periodic rate of return on the Group's net investment in the lease.

**(e) Revenue and other income**

**Revenue from contracts with customers**

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Group expects to receive in exchange for those goods or services.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(e) Revenue and other income (Continued)**

**Revenue from contracts with customers (Continued)**

Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Group have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

The material revenue recognition policies for the principal revenue streams of the Group are:

**Member income and capitation fees**

For membership subscription and capitation fee arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Group.

There is only one distinct service promised in the arrangement. Accordingly, the Group recognises revenue as the service is provided, which is typically based on the passage of time over the subscription period to reflect the Group promise to stand ready to provide assistance and support to the member as required.

When a member subsequently purchases additional goods or services from the Group at their standalone selling price, the Group accounts for those sales as a separate contract with a customer.

**Rental income**

Rental revenue is recognised on a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(e) Revenue and other income (Continued)**

**Dividend revenue**

Dividends are recognised when the entity's right to receive payment is established.

**Other income**

Other income is recognised on an accrual basis when the Group is entitled to it.

**(f) Goods and services tax (GST)**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the consolidated balance sheet.

Cash flows in the consolidated statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

**(g) Property, plant and equipment**

Each class of property, plant and equipment is carried at cost, where applicable, any accumulated depreciation and impairment.

Under cost model, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

**Depreciation**

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Group, commencing when the asset is ready for use.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(g) Property, plant and equipment (Continued)**

The depreciation rates used for each class of depreciable asset are shown below:

<b>Fixed asset class</b>	<b>Depreciation rate</b>
Buildings	2 - 20 %
Furniture, Fixtures and Fittings	5 - 40 %
Motor Vehicles	22.5 %

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

**(h) Financial instruments**

**Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

***Classification***

On initial recognition, the Group classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

***Amortised cost***

The Group's financial assets measured at amortised cost comprise trade and other receivables, term deposits and cash and cash equivalents in the consolidated balance sheet.

***Fair value assets through profit or loss (FVTPL)***

The Group holds various financial assets for the purposes returning investment income in the form of dividends or capital appreciation or both. The Group's financial assets measured at FVTPL comprises of investments in listed and unlisted entities, as well as managed funds, which are recorded in the consolidated balance sheet. Changes in the fair value of financial assets at fair value through profit or loss are recognised in the consolidated statement of profit or loss and other comprehensive income.

**Notes to the Financial Statements  
For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(h) Financial instruments (Continued)**

**Financial assets (Continued)**

***Trade receivables and contract assets***

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Group renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

**Financial liabilities**

The financial liabilities of the Group comprise trade and other payables and lease liabilities.

**(i) Impairment of non-financial assets**

At the end of each reporting period the Group determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(j) Intangibles**

**Amortisation**

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets, other than goodwill, from the date that they are available for use.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

**Software**

Software has a finite life and is carried at cost less any accumulated amortisation and impairment losses. It has an estimated useful life of between one and three years.

**(k) Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand, on-demand deposits and short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**(l) Employee benefits**

***Defined contribution schemes***

Obligations for contributions to defined contribution superannuation plans are recognised as an expense in profit or loss in the periods in which services are provided by employees.

***Short-term obligations***

Liabilities for wages and salaries, including non-monetary benefits and accumulating sick leave that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**Notes to the Financial Statements  
For the Year Ended 31 December 2024**

**2 Material Accounting Policy Information (Continued)**

**(l) Employee benefits (Continued)**

***Other long-term employee benefit obligations***

The liabilities for long service leave, annual leave, accumulating personal leave and separation and redundancy entitlements that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period of high-quality corporate bonds with terms and currencies that match, as closely as possible, the estimated future cash outflows. Remeasurements as a result of experience adjustments are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

**(m) Provisions**

Provisions are recognised when the Group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

**(n) Foreign currency transactions and balances**

**Transaction and balances**

Foreign currency transactions are recorded at the spot rate on the date of transaction.

At the end of the reporting period:

- Foreign currency monetary items are translated using the closing rate;
- Non-monetary items that are measured at historical cost are translated using the exchange rate at the date of the transaction; and
- Non-monetary items that are measured at fair value are translated using the rate at the date when fair value was determined.

## **Mining and Energy Union**

ABN: 18 128 983 744

---

### **Notes to the Financial Statements For the Year Ended 31 December 2024**

#### **2 Material Accounting Policy Information (Continued)**

##### **(n) Foreign currency transactions and balances (Continued)**

###### **Transaction and balances (Continued)**

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition or in prior reporting periods are recognised thorough profit or loss, except where they relate to an item of other comprehensive income.

##### **(o) Capitation fees**

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

##### **(p) Volunteer services**

During the year, the Group did not recognise any volunteer services as revenue because it could not reliably measure the fair value of those services.

##### **(q) Withdrawal from the CFMMEU**

By way of order dated 20 November 2023, Justice Shariff of the Federal Court of Australia in the matter of *Grahame Patrick Kelly v Construction, Forestry, Maritime, Mining and Energy Union* [NSD1120/2023] made an order pursuant to s.109(1)(a) of the Fair Work (Registered Organisations) Act 2009 ("RO Act") that the withdrawal of the Mining and Energy Division from the Construction, Forestry, Maritime, Mining and Energy Union was to take effect on 1 December 2023.

As referred to above at note 1, on 1 December 2023, the Mining and Energy Union ("the Reporting Unit") was registered as an organisation under subsection 26(1) of the RO Act. Up to the withdrawal date of 1 December 2023, the Reporting Unit was a division of the then Construction, Forestry, Maritime, Mining and Energy Union ("CFMMEU") and known as the CFMMEU Mining and Energy Division ("the Former Reporting Unit").

##### **(r) Related party disclosures**

Related party disclosures in this financial report are presented on an accruals basis. Whilst the financial records of the Group have been kept, as far as practicable, in a manner consistent with each of the other reporting units of the organisation, the balances and transactions reported in this financial report may differ to those recorded in the financial report of the counterparty reporting unit. This may arise due to timing differences in the respective record keeping of the related reporting units, for example, in the receipt of payments, correspondence in transit or the alternative categorisation of balances/transactions.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**3 Critical Accounting Estimates and Judgements**

The Central Council make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below:

**(a) *Key estimates - impairment of property, plant and equipment***

The Group assesses impairment at the end of each reporting period by evaluating conditions specific to the Group that may be indicative of impairment triggers.

**(b) *Key estimates - useful lives of depreciable assets***

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain property, plant and equipment.

**(c) *Key estimates - receivables***

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

**(d) *Key estimates - employee entitlements***

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made after taking into account a range of possible outcomes, probabilities and assumptions and will vary as further information is obtained.

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**3 Critical Accounting Estimates and Judgements (Continued)**

**(e) Key judgements - control assessments**

The Central Council have determined that they do not control a company called Auscoal Superannuation Pty Limited even though the Union holds 50% of the issued capital of this entity. Auscoal Superannuation Pty Ltd is the Trustee of Mine Superannuation Fund. It is not a controlled entity of the Union because the Union is not exposed, and has no right, to variable returns from this entity and is not able to use its power over the entity to affect those returns. The investment has a fair value of \$4 (2023: \$4) and is included in unlisted shares.

The Central Council have determined that they do not control a company called Coal Services Pty Limited even though the Union holds 50% of the issued capital of this entity. It is not a controlled entity of the Union because the Union is not exposed, and has no right, to variable returns from this entity and is not able to use its power over the entity to affect those returns. The investment has a fair value of \$1 (2023: \$1) and is included in unlisted shares.

The Central Council have determined that they control a company called NMEAF Pty Limited even though the Union owns no shares in the company. As both the parent and subsidiary are not-for-profit entities, control has been determined in accordance with the implementation guidance for not-for-profit entities included in AASB 10 Consolidated Financial Statements. NMEAF Pty Limited is the trustee of the National Assistance Fund and therefore the Union is deemed to also control this Trust. The Union is the income beneficiary of the trust and receives the net income of the trust on an annual basis. The Union will receive the repository assets of the fund at the vesting date of the trust. Refer to note 18 for further information regarding the restriction of the assets and capital reserve of the fund.

**(f) Key judgement - significant influence**

The Central Council have determined they have significant influence over the United Joint Venture even though the Union does not hold 20% of the voting rights of this entity. The Central Council believe that they have the power to participate in the financial and operating policy decisions of the Joint Venture, however they do not have control or joint control of those policies. This joint venture has therefore been accounted for as an investment in an associate (refer note 20).

### Notes to the Financial Statements For the Year Ended 31 December 2024

#### 5 Result for the year

##### (a) Employee benefits expense comprises:

	2024	2023
	\$	\$
<b>Office holders:</b>		
- Wages and salaries	1,038,649	754,288
- Superannuation	104,787	70,593
- Movement in leave and other entitlements	172,462	451,663
- Separation and redundancies	31,529	124,435
- Other employee expenses (including FBT, payroll tax and other expenses)	219,593	152,624
	<u>1,567,020</u>	<u>1,553,603</u>
<b>Employees other than office holders:</b>		
- Wages and salaries	5,924,617	4,811,217
- Superannuation	748,778	641,168
- Movement in leave and other entitlements	653,876	328,579
- Other employee expenses (including FBT, payroll tax, uniforms and other expenses)	560,193	554,725
	<u>7,887,464</u>	<u>6,335,689</u>
<b>Total employee benefits expense</b>	<u><u>9,454,484</u></u>	<u><u>7,889,292</u></u>

#### 6 Cash and cash equivalents

Cash on hand	127	1,121
Cash at bank	17,018,770	18,228,123
	<u><u>17,018,897</u></u>	<u><u>18,229,244</u></u>

##### Restricted cash

The Group has restricted cash balance of \$6,827,830 (2023: \$6,971,983) which is held for a specific purpose and cannot be used to settle the liabilities of the Group. Refer note 18 for further information.

## Mining and Energy Union

ABN: 18 128 983 744

### Notes to the Financial Statements For the Year Ended 31 December 2024

#### 7 Trade and other receivables

	Note	2024 \$	2023 \$
Trade Receivables from contracts with customers		1,486,508	1,077,293
Provision for impairment	7(b)	-	-
Other receivables		1,902,437	2,299,277
		<u>3,388,945</u>	<u>3,376,570</u>

##### (a) Aged analysis

The ageing analysis of trade receivables is as follows:

0-30 days	1,164,724	871,517
31-60 days	106,723	98,577
61-90 days (past due not impaired)	156,454	99,856
91+ days (past due not impaired)	58,607	7,343
	<u>1,486,508</u>	<u>1,077,293</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

##### (b) Impairment of receivables

The Group applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The loss allowance provision as at 31 December 2024 is determined incorporating forward looking information, and no provision is considered necessary (2023: NIL).

## Mining and Energy Union

	<u>2,659,336</u>	<u>2,088,940</u>
<b>National Officers other than Office Holders - Current:</b>		
Long service leave	2,894,427	3,482,232
Less: Right of indemnity	13(b) (2,894,427)	(3,482,232)
	-	-
	<u>3,971,436</u>	<u>3,255,020</u>

#### (b) Right of indemnity

All long service leave entitlements relating to National Officers are the responsibility of the "Mining and Energy Union Employees' Entitlement Trust" from which all relevant long service leave entitlements and obligations are settled from. Accordingly, the provision for long service leave is reduced by the fair value of trust assets available and set aside to settle those entitlements. The Trust is an ATO approved Employee Entitlement Trust.

## Mining and Energy Union

ABN: 18 128 983 744

### Notes to the Financial Statements For the Year Ended 31 December 2024

#### 14 Reserves

##### *Capital reserve*

The capital reserve represents the net trust capital of the National Assistance Fund, which are restricted funds. Refer note 18.

#### 15 Financial risk management

The main risks the Group is exposed to through its financial instruments are liquidity risk, credit risk and market risk consisting of interest rate risk and equity price risk.

The Group's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and payable and lease liabilities.

The totals for each category of financial instruments, measured as detailed in the accounting policies to these financial statements, are as follows:

	Note	2024 \$	2023 \$
<b>Financial Assets</b>			
Cash and cash equivalents	6	17,018,897	18,229,244
Trade receivables	7	1,486,508	1,077,293
Other receivables	7	1,902,437	2,299,277
Other financial assets at amortised cost	8	42,707,661	36,414,608
Financial assets at fair value through profit or loss			
shares in listed corporations	8	46,290,049	39,552,010
- unlisted investments	8	21	21
<b>Total financial assets</b>		<b>109,405,573</b>	<b>97,572,453</b>
<b>Financial Liabilities</b>			
Financial liabilities at amortised cost			
Trade and other payables	12	932,656	565,888
- Lease liabilities		10,082	15,466
<b>Total financial liabilities</b>		<b>942,738</b>	<b>581,354</b>

**Notes to the Financial Statements**  
**For the Year Ended 31 December 2024**

**15 Financial risk management (Continued)**

**Liquidity risk**

Liquidity risk arises from the Group's management of working capital and the finance charges and principal repayments on its debt instruments. It is the risk that the Group will encounter difficulty in meeting its financial obligations as they fall due.

The Group's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities as and when they fall due.

The Group's liabilities have contractual maturities which are summarised below:

	<b>Less than 1 year</b>	
	<b>2024</b>	<b>2023</b>
	<b>\$</b>	<b>\$</b>
Trade and other payables (excluding estimated annual leave)	<b>932,656</b>	<b>565,888</b>

**Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Company.

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions, as well as credit exposure to customers, including outstanding receivables and committed transactions.

The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due.

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks.

Accordingly, the Group does not have any material credit risk exposure to any single receivable or group of receivables.

## Mining and Energy Union

ABN: 18 128 983 744

### Notes to the Financial Statements For the Year Ended 31 December 2024

#### 15 Financial risk management (Continued)

##### Market risk

The Group is exposed to market risk, consisting of equity securities price risk. This arises from listed and unlisted investments held by the Group and classified as financial assets at fair value through profit or loss on the consolidated balance sheet.

The Group is not exposed to commodity price risk, nor does it have a material exposure to foreign exchange risk.

At reporting date, if the respective Stock Exchange index had increased / decreased by 10.00% with all other variables held constant and all of the Group's equity instruments moved according to the historical correlation with the index, the impact on profit and equity is shown in the table below:

	2024		2023	
	+10.00%	-10.00%	+10.00%	-10.00%
<b>Australian and international market indices</b>				
Impact on result	<u>4,629,007</u>	<u>(4,629,007)</u>	3,955,203	(3,955,203)

Equity would increase / decrease as a result of fair value movements through the investment reserve.

The price risk for the unlisted securities held by the Group is immaterial in terms of the possible impact on profit or loss or total equity. It has therefore not been included in the sensitivity analysis.

##### Net income and expense from Financial Assets

	2024	2023
	\$	\$
<b>Financial assets at amortised cost</b>		
Interest revenue	2,766,581	2,335,011
<b>Financial assets held at fair value through profit or loss</b>		
Gain/(loss) recognised in profit or loss	1,732,078	1,846,254
Dividends	1,964,557	962,080
Brokerage fees	(267,928)	(157,255)

## Mining and Energy Union

ABN: 18 128 983 744

### Notes to the Financial Statements For the Year Ended 31 December 2024

#### 16 Key Management Personnel Disclosures

Key management personnel remuneration included within employee expenses for the year is shown below:

	2024	2023
	\$	\$
Salary (including annual leave taken)	796,325	626,546

Movement in the share of Joint Venture net assets	1,316,926	886,294
Distributions received during the year	9,009,476	29,757,982
<b>Net gains from equity accounted associates</b>	<b>11,939,420</b>	<b>24,914,156</b>

#### 21 Fair Value Measurement

The Group measures its financial assets, being shares at fair value on a recurring basis.

##### Fair value hierarchy

AASB 13 *Fair Value Measurement* requires all assets and liabilities measured at fair value to be assigned to a level in the fair value hierarchy as follows:

Level 1	Unadjusted quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3	Unobservable inputs for the asset or liability.

The table below shows the assigned level for each asset and liability held at fair value by the Group:

	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
<b>31 December 2024</b>				
<b>Recurring fair value measurements</b>				
<b>Financial assets</b>				
Listed shares	46,290,049	-	-	46,290,049
Unlisted shares	-	-	21	21
<b>31 December 2023</b>				
<b>Recurring fair value measurements</b>				
<b>Financial assets</b>				
Listed shares	39,552,010	-	-	39,552,010
Unlisted shares	-	-	21	21

**Notes to the Financial Statements  
For the Year Ended 31 December 2024**

**21 Fair Value Measurement (Continued)**

**Level 3 measurements**

The Central Council believe that the fair value of these shares is equal to the cost that was paid for them, as they have no right to variable return for the entities.

**22 Contingencies**

In the opinion of the Central Council, the Union did not have any contingencies as at 31 December 2024 (31 December 2023: None).

**23 Related parties**

**(a) Parent entity**

The ultimate parent entity, which exercises control over the Group, is the Mining and Energy Union.

**(b) Key management personnel**

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity is considered key management personnel.

For details of remuneration disclosures relating to key management personnel, refer to Note 16: Key Management Personnel Disclosures.

**(c) Associate entities that are accounted for under the equity method**

The Group has a 5% interest in the joint venture entity, United Joint Venture. The interest in the associate is accounted for in these consolidated financial statements of the Group, using the equity method of accounting. For details of interests held in associate entities, refer to Note 20: Interests in Associates.

**(d) Transactions with related parties**

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

## Independent Audit Report to the members of the Mining and Energy Union

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of the Mining and Energy Union [the Union and its subsidiaries (the Group or Reporting Unit)], which comprises the consolidated balance sheet as at 31 December 2024, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year ended 31 December 2024, notes to the financial statements, including material accounting policy information, the Committee of Management statement, the subsection 255(2A) report and the Officer Declaration Statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Reporting Unit as at 31 December 2024, and their financial performance and their cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* ("the RO Act").

We declare that management's use of the going concern basis in the preparation of the financial statements of the reporting unit is appropriate.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled my other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Independent Audit Report to the members of the Mining and Energy Union**

### **Information Other than the Financial Report and Auditor's Report Thereon**

The Committee of Management ("Central Council") is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Central Council for the Financial Report**

The Central Council of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Central Council determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Central Council is responsible for assessing the reporting unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Central Council either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

## **Independent Audit Report to the members of the Mining and Energy Union**

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the reporting unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Central Council.
- Conclude on the appropriateness of the Central Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the reporting unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the reporting unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the reporting unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the reporting unit audit. We remain solely responsible for our audit opinion.

**Independent Audit Report  
to the members of the Mining and Energy Union**

We communicate with the Central Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor registered under the RO Act.
